In almost every university in the USA, football is a favorite sport. However, American football is different from the football in other countries. Players sometimes kick the ball, but they also throw the ball and run with it. They try to take it to the other end of the field. They have four chances to move the ball ten yards. They can carry it or throw it . If they move it to the end of the field, they receive six points. However, it is difficult to move the ball. Eleven men on the other team always try to stop the man with the ball.

Every team plays ten or eleven games each season. The season begins in September and ends in November. If a team is very good, it may play another game after the season ends. The best teams play again on January 1, the first day of the New Year.

Many thousands of people go to watch the match and many others watch them on TV. They dance and jump while they shout for their favorite team.
