A. Choose the best answer（根据短文内容，选择最恰当的答案）：（12 分）

Afthur sat at the desk in his room, pencil in hand. He had to write a story for his English class by Friday. "I don't know what to write about." he complained to his dog Toby, who was asleep at his feet. Arthur was talkative when speaking to his friends. Yet he had trouble finding words when he had to write.

By bedtime Arthur bad drawn a picture of Toby smiling. He had drawn a tree with its branches blowing in the strong wind. He had also written a note asking his friend Lee to go to the movies on Saturday. But he had not written a single word of his story.

On Wednesday. Mrs. Solomon, Arthur's English teacher. asked the class to turn in the draft(草稿) of their stories. Arthur's heart sank. He turned in the only work he had-the page with his name, the drawings and the note.

Arthur wasn't surprised when Mrs. Solomon asked him to stay after class the next day. But he was surprised by what she said to him. "This is an attractive story, Arthur. The dog. the movie, the tree in the wind-l can't wait to find out how they all fit together."

"That isn't my story, Mrs. Solomon." Arthur said. "I haven't been able to think of one yet."

"Oh. I think you have the seed of a story there- Mrs. Solomon replied, "Look at your note and the pictures and see if a story comes to you."

That night Arthur sat at his desk. and this is what he wrote: "One Saturday Mike went downstairs to meet his friend Julio at the cinema. It looked as if it might rain. so Mike carried his umbrella Suddenly a big storm blew in, bending the trees. .The noise of the .wind sounded like the barking of Mike's dog Toby. Toby really hated storms and barked whenever he wanted to be let inside. Then Mike realized that it wasn't the sound of the wind. It was Toby. The dog was running
after him down the busy street, barking. The sound was filled with blame(责备). Mike felt sorry because he had left Toby outside. He turned and headed home with Toby running beside him. Mike let Toby in the door just as the rain started to pour down."

' Arthur had a story in the end. The last thing he did was to write his name proudly at the top of the page.

Today some people call Amsterdam the "City of Bicycles" because it is a city which is flat and convenient for bicycles.

In the 1960s, a group of cycling fans had an idea. They believed that it would be better for everybody if only bicycles were allowed in the city centre. They were 75 that this would help to save energy. reduce pollution and provide free public transport. The group painted hundreds of bicycles 76 and placed them in public places around Amsterdam for people to use. 77 was allowed to take them and use them for short journeys, whether he was a local or a foreigner.

Wherever someone finished a journey, they would leave the bike there for someone else to use. The problem was that it didn't work-thieves took all the bicycles within weeks!

___78___ ,more than thirty years later. the "white bike" is back in town-this time with a computer chip(芯片) to__79__its every move! To take a bicycle, you have to put a special card inside. The new "white bike" is not white any more but is an unusual design with bright colours. The bikes are parked at special parking places and people who want to use them
have to take them to another place that has enough room.

There is already ___80___ traffic in central Amsterdam, because both locals and tourists have been using the white bikes. Thanks to the good ideas of lots of people, like the cycling fans in the 1960s, many people around the world have been enjoying city centre streets without cars for many years.
